Summer baseball preparations are here again!! Last year 750+ kids and their families enjoyed a summer of great burgers, baseball, hot dogs, fun, and fellowship. We are excited again to be playing at Conway Station Park- the city's new state of the art 9-field baseball park! Conway Parks and Recreation strives to provide a fun and fair atmosphere that is conducive to learning.

As you consider your support for the Conway Community, we ask that you put this baseball program at the top of your list.

We are asking you to pledge your support for one or even two of the 60+ teams that we will have. Your business's name will be displayed on the t-shirts of the team you sponsor. You will also receive recognition on Conway Parks and Recreation's website, www.conwayparks.com. If your business has a website, we will even provide a link to your site from ours.

If you would like to sponsor a team(s), please fill out the form at the bottom of the page along with a check and **RETURN IT AS SOON AS POSSIBLE**. We will need to have sponsors in place no later than March 1st. We greatly appreciate your support and donation!

If you have any questions, please contact James Burnside at 501-450-6186 or james.burnside@cityofconway.org.
